

AP Police SI Prelims 2026 — Week-by-Week Study Timetable

Planned from late June 2026, when the notification (~15 August 2026) is still ahead. The exact Prelims exam date will come with the notification; this plan assumes roughly 14 weeks of runway and adjusts into intensive revision near the end. Shift dates as needed once the official date is announced.

- 2 more full mocks; focus on speed and accuracy.
- Continue PMT/PET training (taper if exam is near).

Week 14 (Sep 22 onward) — *pre-exam*

- Light revision only: formulas, current affairs sheet, frequently-missed questions.
- One final timed mock 4-5 days before the exam.
- Sleep well; keep documents and hall ticket ready.

Weekly Rhythm (repeat each week)

Day	Extra focus
Mon-Fri	New topics per the week's plan
Saturday	Sectional / full test
Sunday	Review test, revise the week, current-affairs weekly recap

Rules to Keep You on Track

- Revise before you add: spend the first 15 minutes of each session on yesterday's notes.
- One formula sheet and one current-affairs notebook — revise both weekly.
- Never skip the weekly test; the mistakes are where the marks are.
- Adjust the calendar the moment the official exam date is announced.

Dates are planning guidance from June 2026. Re-anchor the whole plan to the official Prelims date once the APSLPRB notification is out.
