Bifurcation	Telangana carved out in 2014
Major rivers	Godavari, Krishna (also Penna, Tungabhadra)
Coastline	Long coastline along the Bay of Bengal
Major port	Visakhapatnam
Recruiting board (police)	AP State Level Police Recruitment Board (APSLPRB)

HISTORY OF ANDHRA PRADESH

- Ancient Andhra was home to the **Satavahana** dynasty, an important early power in the Deccan.
- The region later saw the **Eastern Chalukyas**, **Kakatiyas**, and the **Vijayanagara Empire** (a major South Indian power; Krishnadevaraya was its celebrated ruler).
- **Modern formation:** Following the agitation and the fast-unto-death of **Potti Sriramulu**, **Andhra State** was formed in **1953** (the first state created on a linguistic basis).
- In **1956**, Andhra State merged with the Telugu-speaking areas of Hyderabad State to form **Andhra Pradesh**.
- In **2014**, the state was bifurcated and **Telangana** became a separate state; Andhra Pradesh continued with a new capital plan centred on **Amaravati**.

GEOGRAPHY OF ANDHRA PRADESH

- **Location:** South-eastern India, along the Bay of Bengal, with one of the longest coastlines among Indian states.
- **Rivers:** The **Godavari** and **Krishna** are the two major rivers; their deltas are highly fertile rice-growing regions.
- **Relief:** Coastal plains in the east; the Eastern Ghats run roughly parallel to the coast.

- **Climate:** Tropical; the state receives rainfall from both the southwest and northeast monsoons; the coast is cyclone-prone.
- **Agriculture:** Rice is the staple crop; other crops include pulses, cotton, chillies, and tobacco. AP is a leading state in aquaculture and horticulture.
- **Ecology:** **Coringa** mangrove wildlife sanctuary (near the Godavari delta) is an important coastal ecosystem.

POLITY & ADMINISTRATION

- Andhra Pradesh has a **Legislative Assembly** (and historically a Legislative Council), with the **Governor** as constitutional head and the **Chief Minister** as head of government.
- The state is organised into districts (the number was increased in a recent reorganisation) headed by **District Collectors**.
- Governance initiatives emphasise technology-driven delivery (e.g. real-time governance) and the **Swarna Andhra 2047** long-term vision.

ECONOMY & DEVELOPMENT

- AP contributes a significant share of India's agricultural output and is strong in **micro-irrigation** and **natural farming**.
- Key sectors: agriculture and allied activities, aquaculture, ports and logistics (Visakhapatnam), pharmaceuticals, and IT/industry corridors.
- The state's roadmap targets higher GSDP growth under the **Swarna Andhra 2047** vision.

WELFARE SCHEMES (know the beneficiary group)

Scheme (type)	For whom
Annadata Sukhibhava	Farmers (financial support)
Thalliki Vandanam / Amma Vodi-type	Mothers — children's education aid
